Scoring

Woody – Refers to any cornhole bag that has been pitched and lands on the board. Each Woody is worth 1 point.

Cornhole – Refers to any cornhole bag that has been pitched and lands inside the hole. Each cornhole is worth 3 points.

Dirty Bags – Refers to any cornhole bag that touched the ground at any time. If the bag touched the ground before landing on the board, no point is recorded and the bag is removed from the board immediately.

Foul – Refers to any cornhole bag that has been pitched in rules violation, i.e. pitching with feet outside of the pitcher's box (foul line), pitching over hand, or pitching out of turn.

Play to 21

Team points are added in each inning to add to the team's total score. The game is played until on player/team reaches the score of 21 points or more. The winning team does not need to win by two or more points. The game cannot end in the middle of an inning. So, if a team pitches and reaches or exceeds 21 points, the other team is allowed to pitch all of their bags until the inning is completed.
